Jean-Baptiste Mondino

Mondino: Two Much

Mondino: Two Much

After his bestselling book *Déjà vu*, Jean-Baptiste Mondino presents his equally mesmerizing sequel *Two Much*. His photographs, digitally processed pictures, and video clips radically changed the commercial strategies of the rock, pop and fashion industry and made him the image guru of the young generation. Presenting Mondino creative output of the past five years.

Two Much bears striking witness to the delight he takes in playing with zeitgeist expressions and to his boundless ingenuity. Technically brilliant, with an equally rich and scin-tillating mix of black humor, glamour, and bizarre erotic visions, *Two Much* is an essential source of inspiration for all those who by profession or by passion deal with photography, advertising, and life style.
